

# Huber Nurseries COVID-19 virus update

To Our Valued Customers,

In light of the current COVID-19 virus, Huber Nurseries wants everyone to remember the goal of the Pennsylvania Governor's directive – to minimize the spread of the corona virus that causes COVID-19 in our communities.

During this period of uncertainty in our country, we want to let you know that we are taking guidance from the CDC to do our part in helping protect our community from this virus. We are regularly wiping down the surface areas in the wholesale yard office, providing hand sanitizer for customers and practicing social distancing guidelines.

**Huber Nurseries will continue to remain open to serve and help our customer's needs to the best of our ability.**

The Pennsylvania Governor has made an exemption for some businesses. Please click on the link below to see more information on how your business may be affected.
